1. Acceptance of Terms

These Terms of Use ("Terms") describes the terms and conditions applicable to your access and use of the opensourcewood.com website ("Service"). The Service is an online platform that enables users to, for example, view and use ideas, pictures, designs and models related to wood constructing and other content ("Content") posted on the website by other users and contribute to the website by uploading user's own Content. The Service is owned and operated by Metsäliitto Cooperative ("Metsä Wood").

By using the Service, you confirm your acceptance of these Terms, as they may be amended by Metsä Wood from time to time in its sole discretion. If you do not agree to be bound by these Terms, do not access or use the Service.

By accepting these Terms, you confirm that you are at least 18 years old and legally competent to enter into the terms and conditions set out in these Terms. If you are under 18 years old, you need your guardian's permission in order to use the Service. If you are using the Service on behalf of a company/organization, you represent that you are authorized to use the Service on its behalf and that the company/organization has agreed to these Terms.

You may access the Service without creating a user account. However, in order to access certain features of the Service (such as uploading or posting Content), you will have to create your own user account. You can create a user account by following the registration link found on the landing page of the Service and providing the asked information. You agree that the information you provide is accurate and correct, and further, that you will update the information in case of changes.

You may not use another user's account without permission. You are responsible for keeping your user name and password secure and confidential. You may not share, display, disclose or permit your user name and password to be disclosed to any other party. You may close your user account at any time by using the close account feature provided in the Service.

If your user account is closed or terminated for whatever reason, these Terms no longer apply, except for any terms and conditions that by their nature survive the closing or termination of the user account, and, consequently, all rights granted to you pursuant to these Terms will end.
